

INTELLECT DIGITAL CORE

CORE BANKING PLATFORM

DESIGNED TO EVOLVE AND TRANSFORM

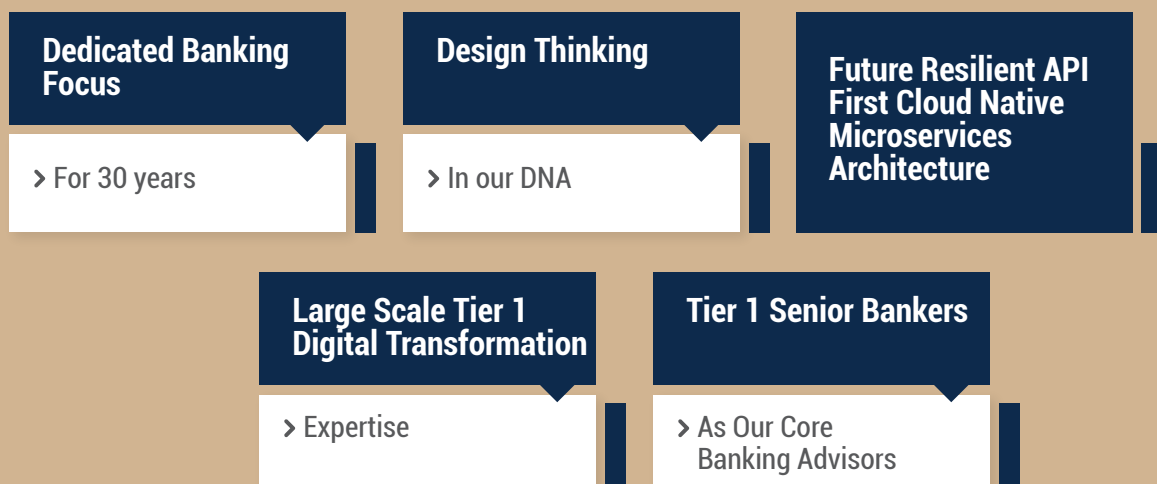

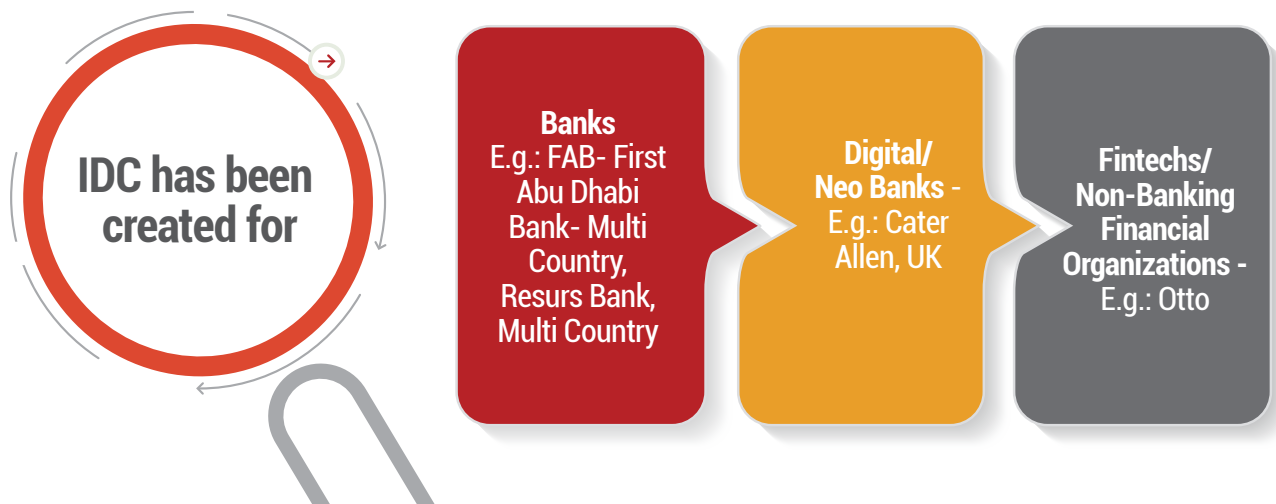

Led by progressive digitization, the customer of today demands a relationship beyond frictionless digital banking. Banks now face the challenge to deliver contextual experience to meet the expectations of this ever evolving customer. Further, as the horizons of Digital technologies and banking expand, Banks must invest in platforms that evolve and power Bank's own transformations.

Intellect Digital Core was created keeping in mind this new customer.

Intellect Digital Core (IDC) Platform is a comprehensive Core Banking platform built on a Cloud native, Composable, API first and a truly Headless architecture. IDC empowers financial organizations to offer contextual experience to end customers throughout their journey. Ranked #1 in the world in the Retail Banking in the annual IBSI Sales League Table 2021, the fully integrated digital platform caters to Retail, Corporate and SME banking segments.
